Autumn special events in Sutton
August - November 2018

 sutton.gov.uk/librariesheritagearts

This issue provides information on special events being held between August and November, all held by Sutton Council's Libraries, Heritage & Arts service.

You'll find information on a range of different events including workshops, readings, arts & crafts, walks, demonstrations and drop-in clinics that you'll be able to take part in or just learn from!

Highlights include **Art Map of Sutton Lives** in libraries around the borough in August, advice and skills provided to help you develop a career or set up a new business through our **Enterprise Skills Sessions** in September. **Mimi & The Dragon** an interactive musical puppet play based on the book by Michael Morpurgo in October. In November take a look at items not normally on display at Whitehall Historic House **Revealing our Collections**.

The **Summer Reading Challenge** is in full swing, you can still sign children up during August. This year's theme is Mischief Makers.

Further information can be found on these and other activities in the booklet.

Your Cultural Programme is a series of events and activities that celebrate the talents of local and national artists. It provides opportunities for residents to meet, explore culture and create art at their local library.

In its debut year, Your Cultural Programme focuses on what it means to live in Sutton. Highlights include artist Samantha Almon Adeluwoye who will be creating a digital art-map of the borough through your drawings, photographs and oral recordings and actor Eric MacLennan will be merging Sutton with the rest of the world. Not all of it, just tiny bits of it!

To find out more come along and join us for one of the many sessions that will be taking place over the coming year.
